National Record 2013

Everest Industries Limited has completed a 60,000 sq ft campus in record 90 days using Smart Steel technology. Built in Lucknow for Ansal Institute of Technology & Management the project started in Feb 2011 was completed on May 10, 2011. The three large modules with 40 rooms were built in 90 days, reducing the time up to 1/3rd of the traditional construction.
